

Product Specification

Model	USF-175
Picture	
Gross Capacity	175L
Product Dimension	440×540×1920
Packing Dimension	500×600×1940
Gas & volume	R290a
Climate Category	N~ST
Operational Temp.	-22℃~-18℃
Cooling Type	Dynamic cooling
Controller	digital
Exterior Finish	Black PCM
Interior Finish	White PCM
Shelf QTY	5 shelf
Loading QTY (20/40ft/40hq)	38/88/112
Standard Features	<ul style="list-style-type: none"> • Dynamic cooling, 0~10℃ strong cooling; • N~ST wide climate range, over-sized robust compressor; • reliable digital controller; • Triple glazing glass door, with heating glass; • with lock&key; • on 4 easy moving wheels, 2 with brake; • with self-closing door; • with hot gas evaporated drip tray; • with vertical LED light for inside cabinet and horizontal LED light for canopy • Alumimum door frame on USF-215
Optional Features	<ul style="list-style-type: none"> • Canopy Sticker • 2 Sides and canopy Sticker • Digital controller • R134a
